The Alpha

“Be not deceived; many will depart from the faith, giving heed to seducing spirits and doctrines of devils. We have now before us the alpha of this danger.”

—*Selected Messages, Book One, 197*

The Alpha

“I am instructed to speak plainly. ‘Meet it,’ is the word spoken to me. ‘Meet it firmly, and without delay.’ But it is not to be met by our taking our working forces from the field to investigate doctrines and points of difference. We have no such investigation to make. In the book *Living Temple* there is presented the alpha of deadly heresies.”

The Alpha

“I recognized the very sentiments against which I had been bidden to speak in warning during the early days of my public labors.... *Living Temple* contains the alpha of these theories.... The statements made in *Living Temple* in regard to this point are incorrect.”

More on the Alpha

Most obvious problem was pantheism, the belief that God is not a specific “person,” but some sort of all-pervading non-entity.

The heavenly sanctuary became “wherever God is.”

But there were also clear indications of direct supernatural involvement:

More on the Alpha

“When you wrote that book you were not under the inspiration of God. There was by your side the one who inspired Adam to look at God in a false light.

“The developments of these last days will soon become decided. When these spiritualistic deceptions are revealed to be what they really are—the secret workings of evil spirits—those who have acted a part in them will become as men who have lost their minds....

More on the Alpha

“As I am shown special things of Satan’s science, and how he deceived the holy angels, I am afraid of the men who have entered into the study of the science that Satan carried into the warfare in heaven. How I have longed to be where I should not be compelled to see the same science practiced on this earth....

“When [people] accept the bait, it seems impossible to break the spell that Satan casts over them, because the enemy works out the science of deception as he worked it out in the heavenly courts.

More on the Alpha

“If permitted, the evil angels will work the minds of men until they have no mind or will of their own. They are led as the angels cast out from heaven were led....

“Let the world go into spiritualism, into theosophy, into pantheism, if they choose. We are to have nothing to do with this deceptive branch of Satan’s work.”

—Battle Creek Letters, 109

Satan's Science

What was this “science that Satan carried into the warfare in heaven”?

Satan's Science

“Leaving his place in the immediate presence of the Father, Lucifer went forth to diffuse the spirit of discontent among the angels. He worked with mysterious secrecy, and for a time concealed his real purpose under an appearance of reverence for God. He began to insinuate doubts concerning the laws that governed heavenly beings, intimating that though laws might be necessary for the inhabitants of the worlds, angels, being more exalted, needed no such restraint, for their own wisdom was a sufficient guide.”

Satan's Science

Pantheism, Theosophy, and the mysticism that comes under a dozen or more names today, all promote the concept of a "Divinity Within."

Spiritual progress is thought to be a matter of developing the goodness within ourselves, rather than seeking the righteousness of Christ.

Once this "bait" is taken, there is no reason to listen to any outside source that conflicts with our internal "divinity."

No need for the Bible or Spirit of Prophecy.

Satan's Science

“Spiritualism declares that there is no death, no sin, no judgment, no retribution; that ‘men are unfallen demigods;’ that desire is the highest law; and that man is accountable only to himself. The barriers that God has erected to guard truth, purity, and reverence are broken down, and many are thus emboldened in sin.”

—Patriarchs and Prophets, 688

“God’s Word declares that Satan will work miracles. He will make people sick, and then will suddenly remove from them his satanic power. They will then be regarded as healed. The Omega

What will it be? What will the oak tree look like?

Only time will tell for sure, but we've been told that there is a "warning that God has given."

Let's not fail to "heed" it.

...a whole new word. The idea is to focus on lessons from the past that are good for the future.

Spiritualism

- ▾ **“You shall not permit a sorceress to live.”**

- ▾ **“Give no regard to mediums and familiar spirits; do not seek after them, to be defiled by them: I am the LORD your God.”**

—Leviticus 20:6

Here’s another important topic to keep in mind—
Spiritualism.

This is the story of the devil’s attack, and the Lord’s defense of His church. The foundational defense, of course, is Scripture:

Here are just a few of the more important verses that tell us there is an issue here:

CLICK for three items:

Spiritualism

- **“There shall not be found among you anyone who... practices witchcraft, or a soothsayer, or one who interprets omens, or a sorcerer, or one who conjures spells, or a medium, or a spiritist, or one who calls up the dead.”**

—Deuteronomy 18:10-11

If God tells us to stay away from something, that really ought to be enough to keep us away from it.

But God usually goes beyond “just because I said so,” and gives us at least a partial explanation of the situation. In other words, God wants us to understand things, to know the reasons for what He asks. It’s sort of like the difference between having an employee who just does everything he’s told to do, and having an employee who knows what the boss is trying to get done, understands how to do it, and just sort of naturally works along with him.

Spiritualism

- ◆ **“His spirit departs, he returns to his earth; In that very day his thoughts perish.**

—Psalms 146:4

- ◆ **“For the living know that they will die; But the dead know nothing,... their love, their hatred, and their envy have now perished; Nevermore will they have a share in anything done under the sun.”**

—Ecclesiastes 9:5-6

- ◆ **“Whatever your hand finds to do, do it with your might; for there is no work or device or knowledge or wisdom in the grave where you are going.”**

—Ecclesiastes 9:10

So here are some of the verses that help explain the background situation:

CLICK for three items:

Spiritualism

- ◆ **“Men and brethren, let me speak freely to you of the patriarch David, that he is both dead and buried, and his tomb is with us to this day.... For David did not ascend into the heavens.”**

—Acts 2:29, 34

- ◆ **“He said to them, ‘Our friend Lazarus sleeps, but I go that I may wake him up. Then His disciples said, ‘Lord, if he sleeps he will get well.’ However, Jesus spoke of his death, but they thought that He was speaking about taking rest in sleep. Then Jesus said to them plainly, ‘Lazarus is dead.’”**

—John 11:11-14

The idea is simple, really. When someone dies, they are asleep. They don't know anything until the resurrection.

So why is that important? If we can shift for a moment to a military analogy, it can be simply explained as the preservation of a secure command and control structure.

In any war, the best thing a general can ask for is the opportunity to send orders to the enemy forces, and have them think they come from their own commanders. That's what spiritualism is: the devil's channel for counterfeit communications. If God's people listen to the wrong orders, the war is pretty much lost.

Spiritualism

- ◆ **“And no wonder! For Satan himself transforms himself into an angel of light.”**

—2 Corinthians 11:14

- ◆ **“Now the Spirit expressly says that in latter times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons.”**

—1 Timothy 4:1

- ◆ **“The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders.”**

—2 Thessalonians 2:9

And then, of course, there are the verses that are nothing but a flat-out warning.

What started off rather small, quickly became quite huge!

Soon there were dozens of publications on the subject of spiritualism.

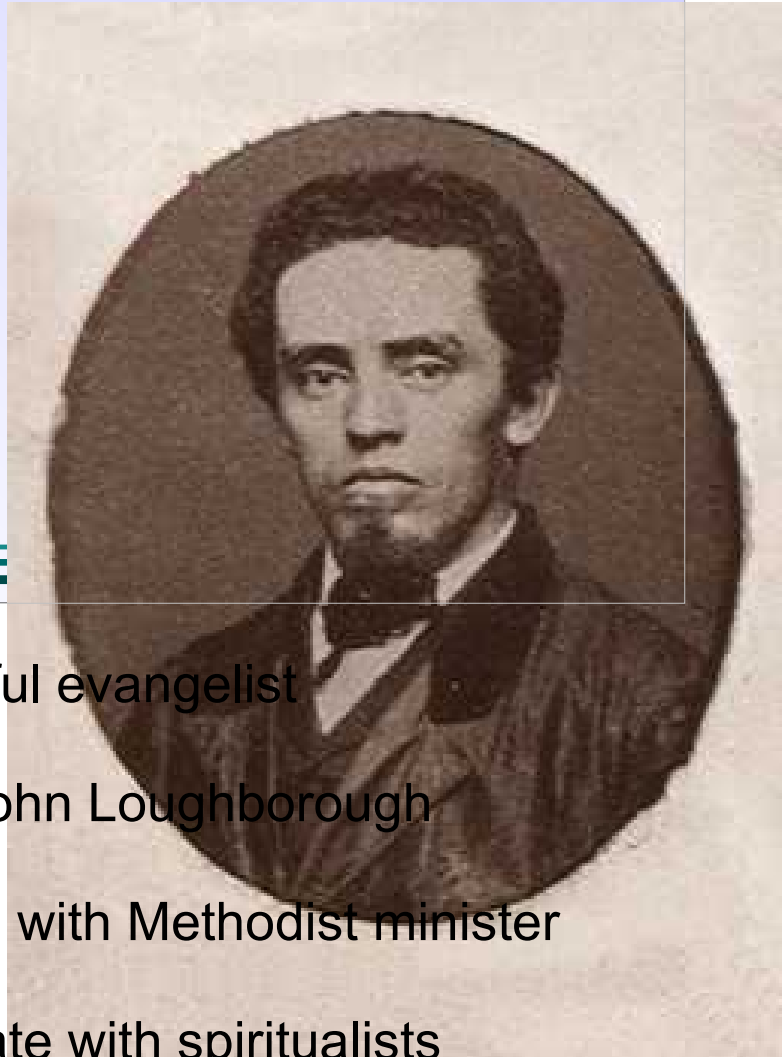

Spiritualism

Now, bear in mind that a lot of this interest was sort of low-brow. With no Internet, TV, radio, or theaters in most towns, a lot of folks treated all this as a matter of simple entertainment.

That would change in the 1870s. But in the meantime, it was deadly enough!

John Harvey Kellogg, M.D.

The next time Spiritualism had a major impact on the Seventh-day Adventist church was in the early 1900s.

Dr. Kellogg was the medical director of the world famous Battle Creek Sanitarium. Very talented, but unfortunately he ran into trouble by way of marriage.

Helena Petrovna Blavatsky

Madame Blavatsky had visited America at the height of early spiritualism's popularity. But no one was interested in her more philosophical approach to Eastern mysticism.

In America, at the time, spiritualism was often more of a (misguided) recreational activity—no T.V. back then.

So Blavatsky spent several years in India studying at an ashram. Then she came back to the States. Finally finding enough interested people, she formed the Theosophical Society of America. That's sort of the Great-granddaddy of the New Age Spiritualism of more recent years.

And she seems to have spread her influence to Dr. Kellogg.

The Alpha

“Be not deceived; many will depart from the faith, giving heed to seducing spirits and doctrines of devils. We have now before us the alpha of this danger.”

—*Selected Messages, Book One, 197*

Kellogg drifted into pantheism, which led to problems with a book he wrote, entitled *The Living Temple*.

In this context, EGW spoke of the “alpha and omega of apostasy”

Ominous

The Alpha

“I am instructed to speak plainly. ‘Meet it,’ is the word spoken to me. ‘Meet it firmly, and without delay.’ But it is not to be met by our taking our working forces from the field to investigate doctrines and points of difference. We have no such investigation to make. In the book *Living Temple* there is presented the alpha of deadly heresies.”

—Selected Messages, Book One, 200

The “alpha” was contained in the *Living Temple*.

This quotation comes from the famous “Iceberg vision.”
(More on that in another session.)

The Alpha

“I recognized the very sentiments against which I had been bidden to speak in warning during the early days of my public labors.... *Living Temple* contains the alpha of these theories.... I knew that I must warn our brethren and sisters not to enter into controversy over the presence and personality of God. The statements made in *Living Temple* in regard to this point are incorrect.”

—*Selected Messages, Book One, 203*

One last quote.

The Omega

“Be not deceived; many will depart from the faith, giving heed to seducing spirits and doctrines of devils. We have now before us the alpha of this danger. The omega will be of a most startling nature.”

—Selected Messages, Book One, 197

OK, that was the alpha. So what? It's history, as they say.

We want to know about the omega.

But there's not all that much to know...

Notice that this comes right after what we just read about the alpha.

The Omega

“I am instructed to speak plainly. ‘Meet it,’ is the word spoken to me. ‘Meet it firmly, and without delay.’ But it is not to be met by our taking our working forces from the field to investigate doctrines and points of difference. We have no such investigation to make. In the book *Living Temple* there is presented the alpha of deadly heresies. **The omega will follow, and will be received by those who are not willing to heed the warning God has given.**”

—*Selected Messages, Book One, 200*

Here's another one.

The Omega

"I recognized the very sentiments against which I had been bidden to speak in warning during the early days of my public labors.... *Living Temple* contains the alpha of these theories. **I knew that the omega would follow in a little while; and I trembled for our people. I knew that I must warn our brethren and sisters not to enter into controversy over the presence and personality of God. The statements made in *Living Temple* in regard to this point are incorrect.**"

—*Selected Messages, Book One, 203*

And this one comes in the middle of another of our quotations.

The Omega

“The omega will be of a most startling nature.”

“The omega will follow, and will be received by those who are not willing to heed the warning God has given.”

“I knew that the omega would follow in a little while; and I trembled for our people.”

—Selected Messages, Book One, 197, 200, 203

Fortunately there is another way to understand the omega

Quite a number of people have thought that the alpha and omega were logical opposites. But now that we can search the Spirit of Prophecy on a computer, that just doesn't work. A “train” doesn't have an opposite.

Here are two more quotations from Ellen White that show how she used the terms.

“Christ is the Alpha, the first link, and the Omega, the last link, of the gospel chain, which is welded in Revelation.”—*Manuscript Releases*, vol. 10, 171

The Great Final Test

“The truth for this time, the third angel’s message, is to be proclaimed with a loud voice, meaning with increasing power, as we approach the great final test. This test must come to the churches in connection with the true medical missionary work, a work that has the great Physician to dictate and preside in all it comprehends.”

—Ellen G. White *1888 Materials*, 1710

Not the true Sabbath, this time. Not that the Sabbath won’t be involved at the end of time.

But here’s a question—what “churches” is this talking about. Catholic churches? Baptist, Methodist, Mormon churches? Adventist churches?

But how can medical missionary work be a test?

Let’s look at another statement. If these two go together, this next one should help explain the question.

The Great Final Test

“God’s Word declares that Satan will work miracles. He will make people sick, and then will suddenly remove from them his satanic power. They will then be regarded as healed. These works of apparent healing will....”

The Great Final Test

“God’s Word declares that Satan will work miracles. He will make people sick, and then will suddenly remove from them his satanic power. They will then be regarded as healed. These works of apparent healing will bring Seventh-day Adventists to the test. Many who have had great light will fail to walk in the light, because they have not become one with Christ.”

—*Selected Messages, Book 2, 53*

Here’s a test—this one definitely for Adventists.

I don’t claim to have all the pieces of this puzzle, but just stop for a minute and remember that spiritualism is at it’s most influential when it promises to solve our problems, especially *health* problems. That connection has been strong for a long, long time.
